

INFORMATION

Information for sport clubs or alpine clubs teaching skiing/snowboarding in the federal state Land Salzburg

According to the Ski/Snowboardschool Law of Salzburg, LGBl Nr 83/1989, in the current setting (recent amendment LGBl Nr 15/2012), this is allowed on the following conditions:

- The club is non-profit and the ski/snowboarding course is in the articles of association.
- Instructors and course participants must be club members.
- The instructors must have the necessary qualification.
- Neither club nor instructors receive as compensation more than expenses.

Instructors and course participants should take with them a **confirmation regarding club-membership** – as prove of meeting the above mentioned requirements.
